### President's Corner: WELCOME to Summer!

At our last luncheon we voted unanimously for an updated set of By-Laws -- the ole By-Laws had not been updated since their origin in 1972. The main impact of these new By-Laws is the composition of the Board of Directors. It reads "The Board of Directors shall be composed of the elected Officers (President, First Vice President, Second Vice-President, Secretary and Treasurer), the Auxiliary Representative, five elected Directors (representing the 5 counties of the Upper Eastern Shore), and the Chairmen of the standing committees" [Legislative Affairs, Membership, and Personal Affairs]. BOD members may fill multiple billets. As I have mentioned in prior newsletters we still have vacancies on the BOD and are looking a few good men and women.

The Senate Armed Services Committee approved its version of the FY2012 Defense Authorization Bill. Some key provisions are: statutory limitation that the percentage increase in TRICARE Prime fees for FY2013 and future system will not exceed the percentage increase in military retired pay; no change in brand-name medications via mail-order; permission for modest increases in some TRICARE fees for FY2012 TRICARE Prime enrollment fee would rise from \$230/\$460 per year (single/family) to \$260/\$520; retail pharmacy copays would rise \$2 or \$3, depending on the medication; copays would be eliminated for generic drugs purchased via the TRICARE mail-order. A major provisions deals with USFHP and its specifically "requires USFHP enrollees who turn 65 in FY2012 and future years to transition to Medicare and TRICARE For Life, but encourages DoD and USFHP to develop options for TFL-eligibles to continue in USFHP. Note: this provision only applies to new enrollees in FY2012 and future; all current enrollees (of any age) are grandfathered." So you might want to exam your options.

On a sad note, a long time member of our chapter has gone on to serve in the ultimate chapter. CAPT Douglas G. Phillips, USN Ret. 04/09/1917 – 06/17/2011 – we will miss him.

Hope to to see you at the next luncheon, Jim Shellem

**SPEAKER: Senator E.J. Pipkin, 36th District, Maryland Senate**

We are very fortunate that Senator Pipkin will be guest speaker at our August 18th luncheon at Prospect Bay Country Club. Senator Pipkin is a life-long resident of Maryland and has served as senator to the Eastern Shore's 36th District since 2003. He holds the important position of Senate Minority Whip. Senator Pipkin serves on more than a dozen committees that span a vary of diverse, important matters including finance, health care, environmental, welfare reform, information technology and bio-technology. Senator Pipkin's address will be of interest to all Upper Eastern Shore Chapter members and guests as he speaks to the local issue impacting our lives.

**Vet Sail Event, June 23, 2011**

At 12:30 PM on Thursday, one of the largest buses known to man pulled up at the front door of the Miles River Yacht Club in St. Michaels, MD. The bus was loaded with 26 wounded warriors and family members from Walter Reed Army Medical Center. This group was, by far, the largest number to attend a Vet Sail event in the past five years. After scrambling to find five additional life jackets for the children in the party, we passed out the lunches and assigned everyone to one of the five sail boats that had signed up for the day. The wind was great and the rain held off for the entire afternoon as the visitors enjoyed the fresh air while cruising on the Miles River with a side trip into St. Michaels harbor. Families in the group hailed from Tampa, FL; Sacramento, CA; Puerto Rico; St. Louis, MO; Trenton, NJ; Long Island, NY and Boston, MA – a cross-section of America indeed.
